PLEASE NOTE: We do not take phone registrations.

SWIM LESSON INFORMATION

ALL Winter SWIM LESSON PROGRAMS RUN FOR 7 WEEKS (MON) OR 6 WEEKS (MON & WED).

NO LESSONS 11/27, 11/30, 12/14, 12/23, 12/28, 12/30, 1/1/20

LESSONS START THE WEEK OF 11/18/19

SWIM LESSON LEVELS AGES 3 – 5 (7 class fee: \$105, 6 class fee: \$90)

Designed for preschool age children who are ready to start learning the basic skills of swimming. Instructors will focus on teaching water and pool safety utilizing songs, games and props. Swimmers will be introduced to floating, gliding, and kicking. Students will learn to hold their breath, blow bubbles, submerge their faces, and dunk their heads. These lessons are high energy, fun, and designed to help children establish a love for the water as well as proper safety skills and awareness in the pool area.

Pre-K Level 1- For swimmers who are brand new to swimming lessons and/or tentative in the water.

Pre-K Level 2- For swimmers who are completely comfortable having their face in the water and floating on their backs. This level will build on basic skills, help develop full body coordination in the pool, while following the preschool model of teaching through games and songs.

Advanced Beginner- 5-year-olds only. Must have met all lesson objectives from PK1 and PK2, and be comfortable in the pool.

SWIM LESSON LEVELS AGES 6+ (6 class fee: \$81, 7 class fee: \$95)

Level 1 Introduction to Water

There are no prerequisites for this course. The objective of Level 1 is to help swimmers feel comfortable in the water and understand water safety. Swimmers learn front and back floats, gliding in streamline position, and gliding with kicks on front and back. In addition, swimmers will learn to hold their breath and exhale underwater, submerge their heads completely, swim under water and retrieve submerged objects.

Level 2 Fundamental Aquatic Skills

All swimmers must have passed Level 1 or complete a skills assessment test. Swimmers learn to float without support and recover to a vertical position on front and back. Swimmers explore simultaneous and alternating arm and leg movement on their front and back which will lay the foundations for future strokes. Swimmers continue to develop breath control in the water to prepare for rotary breathing in higher lesson levels, will learn to tread water, and begin to gain comfort and safety skills in the deep end.

Level 3A - Stroke Development:

Building on Level 2 skills, swimmers will learn front and back glide, freestyle, elementary backstroke, sitting and kneeling dive, rotary breathing, survival float & back float, scissor/ dolphin/breaststroke kick, and begin to learn to enter the water headfirst from the side of the pool.

Level 3B - Stroke Development:

Swimmers build on what they learned in Level 3A and add rotary breathing to their 25 yard freestyle and focus on competitive backstroke. Swimmers must complete 25 yards of freestyle with rotary breathing and competitive 25 yard backstroke to pass this level.

Level 4 Stroke Improvement

Swimmers must have passed Level 3 or complete a skills assessment test. Swimmers will improve their skills and increase their endurance by swimming familiar strokes for greater distances. Swimmers continue to learn butterfly, backstroke and are introduced to the breaststroke, the sidestroke, and flip turns. Swimmers who successfully complete level 4 will be able to swim 50 yards without stopping.

REFUND AND CANCELLATION POLICY

Notice must be given 5 business days prior to the program start for refund.

Programs costing less than \$100: Full refund less \$10

Programs costing \$100+: Full refund less 10% of the program fee

Only medical refunds given after the program has begun, prorated less additional \$10 administrative fee (physician documentation required).
